Don't Leave Home Without It

Frequent fliers offer their best gear for comfy travel

by Trae Bodge

Does the thought of traveling frazzle you? We understand! If you don't hit the road frequently, it can be stressful to leave your daily routine for days at a time. We polled travel experts and super-frequent fliers to get their suggestions for smooth traveling. Armed with these travel must-haves and helpful tips, you'll feel as if you've got it together while away from the comforts of home.

Never forget your combination again! [WordLock Luggage Locks](#) (\$8.99) enable the use of five-letter words as combinations.
